A Team of Professionals  
dedicated to servicing the unique needs of  
employers and individuals since 1970

Paris International is a financial consulting firm, founded in 1970 by Stuart A. Paris, CIMA. Our company was founded upon principles that place the utmost value on our clients' financial goals and objectives.

Our customized programs are designed to help protect, conserve, and increase our clients' wealth by delivering an unprecedented level of personalized service and expertise.

Our dedicated support staff is always ready to provide competent, specialized service in a timely manner. Each of our strategic units is directed by a senior member of our firm with many years of experience. This experience translates into professional management of your employee benefits plans and personal insurance and investment programs.
